Discounted shop prices for advance orders

The shop team are offering a generous discount when you pre-order for your tower and collect your order on Saturday 7 March 2026 at the ART Conference.

Orders should be made via the ART online shop: shop.bellringing.org. Please use the following discount codes:

- **BF7JM9FG** – 25% off ART publications (the discount excludes book packs)
- **RT7PQX8U** – 33% off DVDs and badges

To take advantage of this offer, you need to have **ordered and paid by 22 February 2026** and selected **collect your order from the ART shop at the conference** as delivery method at the time of ordering.

Please ensure you use the relevant discount codes when you place the order as unfortunately, they cannot be applied retrospectively.

These discount codes are intended for local tower or small orders.

If you want to place a bulk order for a Hub, Guild book shop etc. for collection at the conference, please email the shop team first at shop@bellringing.org with details of your intended order, as we may be able to offer a further discount.
